

Uniform Crime Reporting 2017 Report Supplemental A

Murder Offenses

The attached supplemental is a corrected version of murder offenses in the State of Nevada for the year 2017. It was brought to our attention that we had reported incorrect numbers for one of the reporting agencies, related to murders, in the State of Nevada.

The supplemental information provided has been compiled to show the individual agencies and the correct number of murders Reported, Unfounded, Actual, Cleared and Cleared by Persons Under 18 for each agency. This supplemental also includes Weapon Used, Circumstance, and Relationship to the Victim, the Victim and Offender ages, as well as, Race and Ethnicity and a total broken down by month and a 5 year comparison.

We apologize for any inconvenience the reporting discrepancy may have caused in the original publication. If you have any questions or concerns, don't hesitate to contact the UCR program at 775-684-6261 or ucr@dps.state.nv.us.
