

NON-CRIMINAL JUSTICE (Civil) APPLICATION

Nevada authorizes governmental and certain organizations to conduct fingerprint-based background checks to help determine the suitability of a person applying for a license, employment, or a volunteer position.

Before an agency can ask an applicant to go get fingerprinted an agency must submit an application and apply with the Department of Public Safety – Records, Communications and Compliance Division (RCCD) to become an authorized recipient under a Nevada Revised Statute (NRS), Federal authority, and/or local or city ordinance.

Both State and Federal Criminal History Record Information are subject to laws, rules and regulations governing its access, use, handling and dissemination.

A User Agreement will be generated from information provided in the attached application and presented to the user/receiving agency for signature within 6 months of establishing the account.
