Executive Sponsor News

Here are a few words from Mindy McKay, Executive Sponsor and Administrator of the Department of Public Safety's (DPS's) Records, Communications and Compliance Division (RCCD):

"It is with great pleasure I announce that our funding for the 22/23 biennium to continue the NCJIS Modernization Program effort has been approved and signed by the Governor. I appreciate and am humbled by all of the support we received from our criminal justice and non-criminal justice partners throughout the legislative budget process. We are excited with the forward movement and are eager to continue working with all of our stakeholders throughout this crucial modernization!"

Program Overview

The **NCJIS Modernization Program** is preparing to roll out training for our criminal justice community on the NCCIS Portal and some criminal justice solutions. The rollout plan for all solutions for use by both criminal justice and civil business is under development. Preferences for training will be sought from our civil stakeholders toward the end of 2022. These and many other considerations are being taken together to ensure the training is as impactful as possible. See the high-level schedule in the section below.

A cloud-based solution, the **NCCIS Portal** provides a new way of interfacing with criminal justice systems and supports more features, capabilities, and reliable access. It is based on an industry standard, NIEM XML.

The NCCIS Portal will enable the public to submit requests and receive results for the background checks they are authorized to perform, including:

- Brady Firearms Check
- Personal Identification Check
- Civil Name Check
- Civil Applicant Processing

Change Management

Stakeholder Outreach

The NCJIS Modernization Change Manager is actively engaged in planning and preparing the coming training and new solutions for criminal justice stakeholders. But our valued civil business stakeholders are not forgotten!

Mark your calendars! The next Civil Change Ambassador meeting is anticipated to take place between August 25 and September 1, 2021. There will be several date/time options to choose from. Invitations will soon be sent out so you may select the date of your choice. The aim of this meeting is to provide a progress report on the NCJIS Modernization, the time frame for civil business engagements, and the activities that are planned.
